Flexibility & Savings with Archera

Break free from long-term commitments & control your cloud spend on your terms

- **FREE** License for Archera
- Pay only for what you use
- Flexible commitments as short as **30 days**

Automated Procurement	Advanced Forecasting Tools	Flexible Commitment Terms	Sell Unused Capacity	Moneyback Guarantee

Insure Your Cloud Commitments

Have you made a 1-year or 3-year commitment to AWS Reserved Instances (RIs) or Savings Plans (SPs) to optimize cloud compute costs?

[Archera](#) converts your AWS Reserved Instances (RIs) and Savings Plans (SPs) into short-term, flexible Insured Commitments with terms as short as 30 days. This ensures ongoing savings without long-term risk, backed by a Moneyback Guarantee. Archera helps you optimize costs and adapt as your cloud usage evolves.

Archera's Insured Commitments—including **Guaranteed Savings Plans (GSPs)** and **Guaranteed Reserved Instances (GRIs)**—offer flexibility, control, and cost optimization for businesses looking to break free from rigid one- to three-year commitments.

Unlock Flexible Cloud Purchasing Strategies with Archera

☑ Save on **short-term cloud consumption** not covered by native commitments.

☑ Choose between **higher savings or greater flexibility** for your cloud needs.

☑ Receive **rebates for underutilized commitments** you can't transfer or convert.

☑ **Defer premiums interest-free** when using cloud service provider (CSP) credits.

Archera's Insured Commitments & Free Platform

Archera's Insured Commitments and free platform help you optimize cloud costs, reduce risk, and maximize flexibility in your cloud commitments. Here's how:

Automated Procurement with Archera

Automatically procure Reserved Instances (RI) and Savings Plans at the best possible prices.

Flexible Commitment Terms

Commit for as little as 30 days to meet changing business needs.

Advanced Forecasting Tools

Create accurate multi-year forecasts to strategically plan future cloud costs.

AWS Contract Negotiation

Let us help you negotiate favorable terms for Purchase Price Agreements (PPAs) and Enterprise Discount Programs (EDPs) with AWS.

Sell Unused Capacity

Sell excess RIs during commitments to avoid paying for unused resources.

Moneyback Guarantee

Get reimbursed for any unused capacity after your commitment period.

How It Works

CSP Commitments Vs Archera Short-Term Insured Companies

CSP 3-year Savings Plan, RI or CUD

3-year commitment
36-month fixed coverage

Archera 1-year Insured Commitment

1-year commitment
24-month flexible coverage

CSP 1-year Savings Plan, RI, or CUD

1-year commitment
12-month fixed coverage

Archera 30-day Insured Commitment

30-day commitment
35-month flexible coverage

CSP on-demand consumption

No commitment
No discount

| 0 | 1 Years | 2 Years | 3 Years |

Leverage Cloudelligent to Remove the Complexity

Cloudelligent partners with Archera to manage the entire lifecycle of your cloud resource commitments, taking care of the planning, purchasing, and selling of RIs. Here's how:

Comprehensive Analysis
Cloudelligent analyzes usage patterns and provides tailored recommendations for maximum cost savings.

Streamlined Decision Making
You approve the best plan based on our recommendations; we handle implementation for optimal value.

End-to-End Management
Cloudelligent manages complexity, saving you time while optimizing your cloud resources.

Get Started with Archera Today!

Unlock the full potential of your cloud investments with Archera's flexible commitment solutions. Take control of your cloud costs, minimize risks, and maximize savings by partnering with Cloudelligent and Archera.
