

AWS Foundational Technical Review (FTR) Accelerator

Seamlessly Launch Your ISV Software on AWS Marketplace with Turnkey FTR Services

- Accelerate FTR process with AI-powered automation
- Get expert guidance on AWS funding
- Unlock co-selling and marketing on AWS

Fast-Track AWS Co-Selling Success with Cloudelligent

Launching your ISV software on AWS Marketplace requires navigating the rigorous AWS Foundational Technical Review (FTR) process. Cloudelligent simplifies and accelerates this journey with our comprehensive services. We guide you through each stage, from initial assessment and remediation planning to final submission and approval, ensuring your product meets AWS requirements for quality, security, and customer experience.
