

AWS Foundational Technical Review (FTR) Readiness Check

Prepare for Your AWS FTR with Cloudelligent's AI-Powered Assessment

- **FREE** Assessment for ISVs
- Reduce review time by up to **50%** with AI-powered automation
- Get guidance on **AWS funding**

Accelerate Your AWS FTR Journey with Cloudelligent

Cloudelligent offers an in-depth assessment to help ISVs quickly prepare for the AWS Foundational Technical Review (FTR). Our cloud experts analyze your product's architecture against AWS Well-Architected best practices, pinpointing potential risks related to security, reliability, and operational excellence.

We leverage AI-powered tools to accelerate the review process by up to 50% and provide everything you need to successfully submit the FTR to AWS.

Explore our AWS FTR services on
